

HOMEWORK 4

Instructions: Complete the following problems. You may not use a calculator except where explicitly stated. Remember that homework will be collected at the beginning of class on Friday February 10, and late homework is not accepted.

From Stewart's *Calculus: Concepts and Contexts*, do the following exercises:

- Section 2.8: 2, 3, 4, 22, 23, 24, 31, 32, 33, 34, 37, 38
